PERSONAL STATEMENT

I have worked within the Beauty industry for over 8 years, and throughout this time I have become passionate about the industry and enjoy every aspect of my role at St George's Hill Spa. One of the best rewards about my job is being able to make my clients feel relaxed and special.

ETHOS

As a Beauty Therapist it is my aim to provide you with a first class and personalized treatment every time. I believe in combining personalized treatments in a relaxing environment so you leave feeling invigorated and relaxed.
